

# TALKING TO YOUR TEENS

## E-SAFETY AND BULLYING

### IT DOESN'T HAVE TO BE SCARY!

As part of anti-bullying week activities we would like to invite parents and carers to a social evening to find out what the key messages are in our schools and how to tackle some of these issues.

**What:** An interactive information evening with other parents/carers

**Where:** Varndean School, Balfour Road

**When:** Tuesday 15<sup>th</sup> November 6.30 - 8.00pm

**This session will provide an opportunity to learn about school policy and lessons about bullying and e-safety and to share ideas as a group about how best to support your children. There will not be an opportunity to explore individual concerns at this meeting, but information will be given about places to go for help and information.**
