Dear Varndean Families

Enrichment: All Activities - Consent and Payment Information

We are pleased to confirm some important information regarding the next steps for all Enrichment activities. This is also summarised in a table at the end of this letter.

All Activities - Agreement to Allocation

If you have not yet given agreement to your child's allocation please can you do this as soon as possible on Varndean Plus. If you are unsure how to do this please refer to the help guide given in our last [newsletter](#).

Trips Requiring Payment

The Enrichment trip payments are now live on ParentPay for all those who have given agreement to their child's allocation on Varndean Plus.

For trips costing over £35 we have split the cost into 5 payments due as follows:

- 1st instalment- 31st January
- 2nd instalment - 28th February
- 3rd instalment - 31st March
- 4th instalment - 30th April
- 5th instalment - 31st May

Please note that any of these instalments can be paid earlier if you prefer, by selecting the amount that you wish to pay, but the minimum balance indicated on ParentPay must be paid by the deadlines above.

For trips costing less than £35 (full price), a one-off payment is due by 31st May but can be paid earlier if you prefer.

Activities with Free Trips

Please note that Enrichment activities which include a free trip will also appear on ParentPay with a zero cost as we need to collect parental consent and medical information

for these too. If your child is due to take part in an activity involving a free trip please now complete the consent boxes on ParentPay.

Enrichment Activities Based Solely in School

We do not need to collect ParentPay consent for activities based solely in school if they are free.
