Dear Parents/Carers and Students

Exam Results Day 2022

I hope you are all enjoying the start of your long summer holiday after all the hard work that went into your exams.

GCSE results can be collected from Varndean School, by the student in person, on Thursday 25th August between 9.30 -11.00. If students want someone to collect their exam results on their behalf, that person must bring ID and a signed letter from the student giving consent for that person to collect the results. Exam Results will also be emailed to students' Varndean email addresses by the end of the afternoon on 25th August.

Senior staff will be available for students to talk to and offer support, as well as Amanda Carroll, our careers advisor.

The exam certificates, alongside any exam practical work for DT or Art will be available for collection in November. We will let you know the exact date on results day. After this point, exam certificates will be held in the exams office for a period of 12 months. During this time students are able to collect them during the school day. Once again, if students want someone to collect their certificates on their behalf, that person must bring ID and a signed letter from the student giving consent for that person to collect the certificates.

If you have any problems or questions please email me - alexbeyfus@varndean.co.uk

Yours sincerely
