Dear Varndean Families

The Immunisation Service recently attended school to administer the Flu Nasal Spray. A catch-up service is available for those who did not receive their vaccination in school - please note these clinics will **not** take place in school and no further clinics will be offered in school this academic year.

If you have already completed a form and your child missed the vaccination in school, you will have received a separate email with clinic booking instructions and do not need to complete another form.

However, If your child did not receive the flu vaccination, and you would like them to be vaccinated, it's not too late. Please ensure that you complete an online consent form, if you have not already done so. The online consent form is now open and is available for completion using the details below:
