Flu Vaccinations Catch Up Day

Dear Varndean Families

The flu vaccination team will be returning to school on **Monday 13th December** to vaccinate any students who were not vaccinated at the previous session.

This is only for students who had consent prior to the deadline and were on the list for the original session, but were not vaccinated as there was not enough time.

Any students who did not have permission prior to the original deadline will not be able to have their vaccination in school on this date.

If you gave consent for the vaccination then there is nothing more that you need to do.

If you did not give consent by the deadline and have now decided that you would like your child to have the vaccinations, then you can contact the Immunisation team on 01273 696011 Ext 3789 to arrange an appointment at a catch up clinic.
