

11th November 2021

Dear Varndean Families

**Flu Vaccinations Monday 15th November**

The flu vaccinations will be taking place in school on Monday. Students will be called down one class at a time to come and have their nasal spray. Those who are not being vaccinated will be asked to remain in class.

Please inform your child if you have given permission to have the vaccination, or not, so that they know if they need to come down to the Sports Hall when their class is called.

Only those who gave permission prior to the deadline on the NHS letter will be able to have the vaccination in school on Monday, The Immunisation team can not accept consent for this session after the deadline.

If you have not given consent, or refused consent and decide at a later date that you would like your child to have this vaccine then the online consent form will open again 1 day after the vaccinations take place. You can then give consent and book your child in to have the vaccination at a catch up clinic.

You can book a place at a catch up clinic by contacting the Immunisation team on 01273 696011 Ext 3789.

Kind regards  
Caroline Heath  
Medical Officer
