

Tuesday 15th March

Dear Varndean Families,

**HPV Vaccination**

This is a reminder that there are now only two weeks until the Immunisation service visits the school, on **Tuesday 29th March**, to give the first dose of the HPV Vaccination to Year 8 students.

If you have not yet given consent and would like your child to have this course of vaccinations, then please ensure that you complete the online consent form. This must be completed before the deadline, which is **11am 3 working days before they visit**. If this is not completed on time then your child will not be able to have the vaccination in school on this day.

Please find attached another copy of the letter with details on how to give your consent for the vaccination.

Kind regards  
Caroline Heath  
Medical Officer
