

Monday 21st February

Dear Varndean Families,

HPV Vaccinations

The Immunisation Service will be coming into school on **Tuesday 29th March 2022** to offer your child the HPV vaccination.

Please find attached the following documents from the Vaccination team:

A parent letter - with instructions on how to complete the online consent form, to either consent or refuse this course of vaccinations. This letter also contains your school's unique Cinnamon school code, which you will require in order to submit your child's consent form. If you have more than one child, but they do not attend the same school site please do not submit the consent forms using the same code. You will receive a separate letter from each school in order to consent for both children. **Please note the cut off time and date for consent completion which is 11am three working days before the session date above.**

HPV leaflet from Public Health England - to be shared with your child.

If you have any difficulties completing this online form, please contact your local Immunisation team before the cut-off date. The number for the Brighton Immunisation team is 01273 696011 ext 3789.

If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on the day of the vaccination session. The consent form will reopen one working day after the session, enabling you to submit a form for your child to be offered the vaccination at a later date, within one of the catch up clinics.

Kind regards
Caroline Heath
Medical Officer
