

7 February 2022

Dear Varndean Families

It's show week!

We are all very excited that show week has finally arrived. Our students (and staff!) have done a superb job at bringing everything together for what promises to be a fantastic performance. Thank you for all your support in helping this to happen. (If you are not attending the show, apologies and please disregard this email.)

### Housekeeping

To help us keep things running smoothly on show nights we would like to run over a few housekeeping details:

- please remember to provide your consent on Varndean Plus for your child(ren) to take part in the show
- please notify us on Varndean Plus of any allergies to stage makeup
- we have a large number of tickets not yet collected, if you don't yet have yours please ask your child to pick these up from the Head's Office during break or lunch time
- please can all visitors take a Lateral Flow Test before coming to the show and wear a face covering
- please remember to bring your tickets with you
- please bring some change for the cash bar during the interval

If you have any queries ahead of the show please send these through to [school@varndean.co.uk](mailto:school@varndean.co.uk) where they will be directed to the most appropriate person.

Best wishes for an exciting week!

Ms Bartley

Head of Drama and Director of the Varndean School Production
