

18 January 2022

Dear Varndean Families

Please find attached a letter from the NHS regarding Covid vaccinations. The vaccination team is only able to offer schools one day to carry out the vaccinations so it is important to stress that although you may give consent, your child may not be given the vaccination due to the large number of students who are likely to request one. There is information on the letter from the NHS about other venues offering vaccinations.

If you have any queries, please do use the contact details on the NHS letter.

Kind regards

Varndean School
