

25th February 2022

Dear Varndean Families,

I wanted to write following the reports coming out over the last few days with regards to Russia and Ukraine and offer support to students and families who might be affected by the news. We have planned a tutor session to allow all students to have an opportunity to discuss this, if they wish, as we know some students may worry about the news they are hearing.

If you are worried about your child and would like us to put some extra support in place, please contact your child's school base. I have included their email addresses at the end of this letter.

I would like to take this opportunity to remind you that our school bases are open for all students with any worries or concerns. My thoughts are with families who are directly affected by this situation - please let us know if we can help in any way.

Best wishes
