New Designers presents an opportunity get inspired by fresh ideas within the design Industry, with the hope of raising our students' future career aspirations. Students have the chance to talk directly to college tutors and graduates and to find out more about the courses on offer within higher education. Every year over 3,000 of the most promising graduate talents from Britain's leading design courses exhibit their work at this show. The show features everything from textiles and jewellery to product design and illustration which takes place at the Business Design Centre in London, the world's capital of design.

Students need to bring a packed lunch with them, a small sketchbook and pencil. The trip is non school uniform. We will return to Preston Park Station by about 15:50m and students will need to make their own arrangements for travelling home after this.
