**Child sexual exploitation
or grooming is when
someone builds an
emotional connection
with a child / young
person to gain their trust
for the purposes of sexual
abuse**

It happens when a young person is encouraged, or forced, to take part in sexual activity in exchange for something

The reward might be presents, money, alcohol, or simply emotional attention

It can happen to any young person - male, female, gender neutral, straight, gay etc.

It might seem like a normal friendship or relationship to begin with

It can happen online or offline, and without the young person being aware of it

It is illegal

**Taking and sharing
naked or 'sexy' pictures
or videos of people
under 18 is illegal,
even if you're
taking them of
yourself**

**Do you really know
who will be looking at
it or who will get
access to it?**

No matter who is affected by grooming or child sexual exploitation, it is never, ever their fault

Even if they agreed to the sexual activity because they felt they 'should'

**Child sexual
exploitation (CSE)
is illegal**

**If you are in
immediate
danger, call **999****

**If you are worried,
speak to your
school base or an
adult you trust**
